

+++ CALL FOR PAPERS +++

## JOURNAL OF DIDACTICS OF PHILOSOPHY JDPh 3 (1/2019)

The Journal of Didactics of Philosophy is a peer-reviewed academic journal devoted to research on the teaching and learning of philosophy. Articles may be about any level of education, however the main focus is on high school philosophy.

We welcome work with a philosophical or normative approach as well as reports of results from empirical qualitative and quantitative research. The journal also publishes reviews of books, textbooks and other educational material of international interest as well as country reports, which provide information about the different ways of teaching and studying Philosophy across the world.
